

# Pledge

I pledge my commitment to become financially successful based on my own personal financial goals. I understand that the path is as unique as I am, so it is up to me to see my dreams, goals and aspirations become a reality. I know that financial success is not something others can give me, nor is it something that the government or the economy can guarantee to provide me. I trust myself, my innate potential to succeed and the momentum I have built to achieve the financial success I envision for myself. I hereby pledge to embrace my journey with all its challenges and victories.

I am *committed* to stay true to my course as:

I am committed to **educating myself about personal finance, investing, and wealth** for the rest of my life

I am committed to fully **understanding** my finances

I pledge to **live within my means** and save for my future self

I pledge to know the **difference between my short-term** as well as **long-term needs** and wants

I pledge to take equal pleasure in **saving** as I do in spending

I pledge to **value anticipation** over instant gratification

I pledge to define myself by **who I am**, not what I have

I pledge to **align my spending with my values, vision and goals**

**Every thought I think**, every word I speak, and every action I take from this day forward will reflect my commitment to this journey, which will lead to peace, fulfillment, empowerment, and financial security.
