

The journey of financial success: My pledge

I pledge my commitment to become financially successful based on my own personal financial goals. I understand that the path is as unique as I am, so it is up to me to see my dreams, goals and aspirations become a reality. I know that financial success is not something others can give me, nor is it something that the government or the economy can provide me. I trust myself, my innate potential to succeed and the momentum I have built to achieve the financial success I envision for myself. I hereby pledge to embrace my journey with all its challenges and victories.

I am committed to stay true to my course as:

- I am committed to educating myself about personal finance, investing, and wealth for the rest of my life
- I am committed to fully understanding my finances
- I pledge to live within my means and save for my future self
- I pledge to know the difference between my short-term as well as long-term needs and wants
- I pledge to take equal pleasure in saving as I do in spending
- I pledge to value anticipation over instant gratification
- I pledge to define myself by who I am, not what I have
- I pledge to align my spending with my values, vision and goals

Every thought I think, every word I speak, and every action I take from this day forward will reflect my commitment to this journey, which will lead to peace, fulfilment, empowerment, and financial security.
