

# My Savings Portfolio

If your long-term goal is to save for your child’s education, choose an investment portfolio to make your money grow

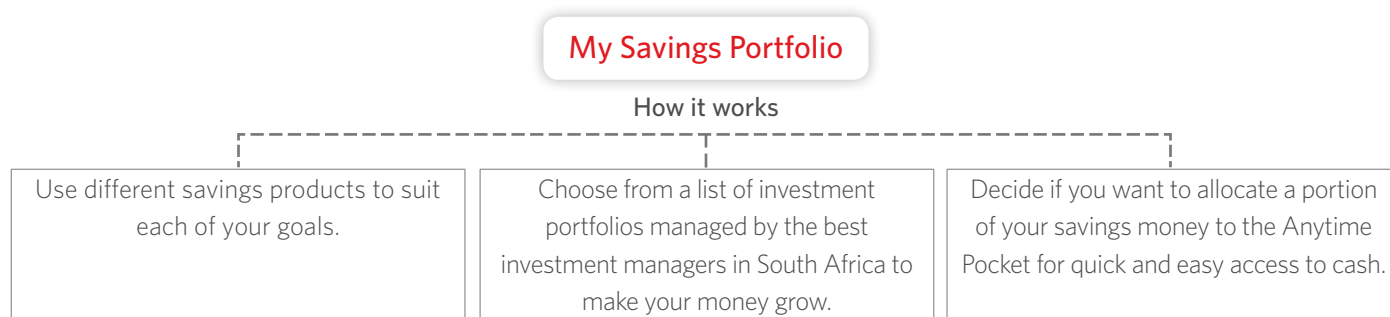

**Your child's education is worth saving for. If you have a plan to save and invest for education, your family will be financially ready. All your child needs to focus on then, is learning and a bright future.**

## Savings and investments to educate your children

Momentum has different products that you can use to save and invest for your child’s education.

One of these products is **My Savings Portfolio**. It’s a simple all-in-one online savings solution that helps you to save for different goals (education, retirement and dreams) in a flexible way. And because rainy days happen, there is an Anytime Pocket that you can use if you want to have access to a portion of your savings money to pay for unexpected expenses, or even planned purchases.

## You can:

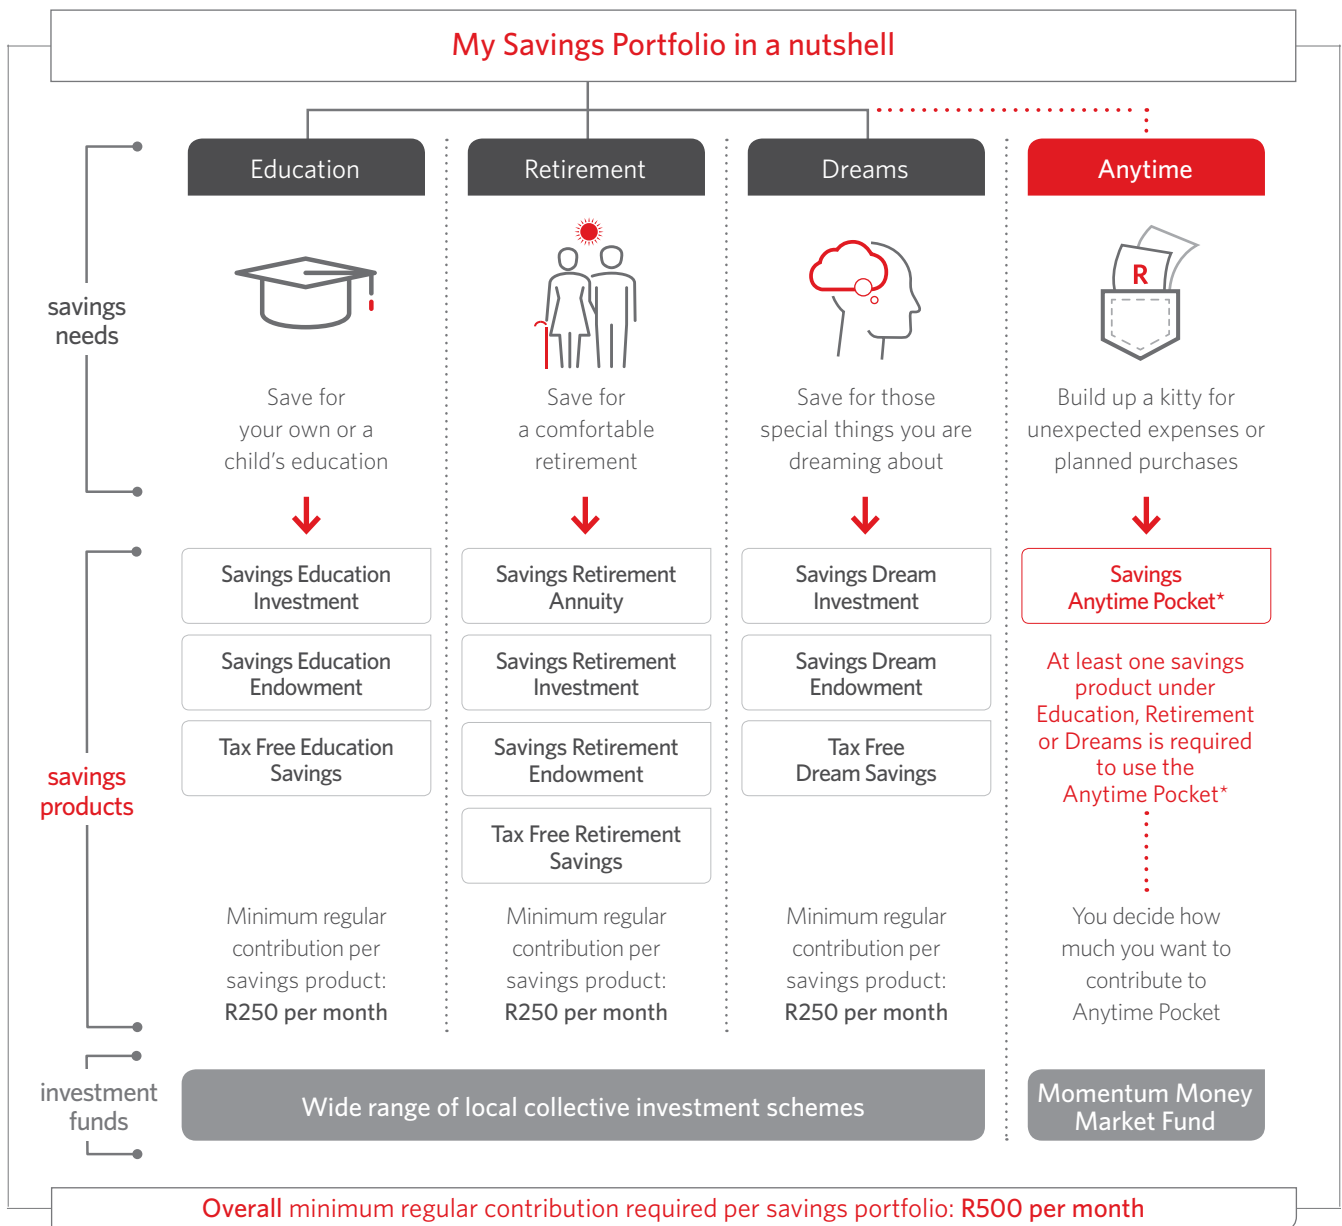

- Set a goal date and goal amount for each savings goal.
- Personalise each of your goals by giving it a name.
- View your savings portfolio online at your convenience and track your progress towards achieving your goals.
- Make changes to your savings portfolio if your circumstances change.
- Pause, stop and re-start your contributions without penalty.
- Withdraw money from your Anytime Pocket at any time.
- Be in control of your savings with secure and convenient online functionality.
