If she also had:

She could choose to either:

Receive monthly pay-outs until age 65.	or	Convert a portion, or all of the future monthly payments to be paid out as a lump sum pay-out. She could do this: <ul style="list-style-type: none"> ▪ At any stage after her total and permanent disability claim or permanent impairment claim has been approved, and ▪ Any number of times, and ▪ With no limit on the amount (maximum is 100% of the claim pay-out).
