Momentum 55+

Keeping you safe
on your journey to success.

At 55 years and wiser, experience and wisdom should not just be celebrated but leveraged to provide you with a tailored insurance experience like no other.

It is with this in mind that Momentum Insure developed 55+, our tailor-made offering to reward you for a high level of responsibility and a low level of risk with no excess on selected cover options.

Momentum 55+ is the result of market research to deliver a product that speaks to the times we live in and our ever-evolving needs when it comes to protecting that which we love. The outcome was a holistic product that protects the things you love, the people you love and rewards you for being safe.

This cover is tailored to your unique needs and is focused on not just protecting the valued possessions you worked so hard to attain, but also protecting you and the ones you hold dear.
