

HomeDrive

Ensuring your safety on the road

At Momentum we know that each individual has a unique journey and we want to be there to make sure that you are safe along yours. With HomeDrive you'll have peace of mind that you and your car will make it safely home; or when you are not in a position to drive or on days when you just need a ride.

How it works

HomeDrive is available to you if you have car insurance with us, and it's limited to your specified vehicle. You can add it to your current insurance policy if you don't already have it.

Contact the HomeDrive contact centre to book a ride home. Make your bookings before 20:00 on weekdays and before 17:00 on weekends or public holidays.

Once booked, you will get an SMS with your driver's name and cell phone number in case you want to get in touch to change your collection details. All our drivers are trained and experienced drivers. Your pick-up team consists of a main driver and back-up driver. The main driver makes sure you get home safely and the back-up driver is responsible for your car.

You can cancel the ride up to two hours before pickup without any charge.

What you get

- You get six free HomeDrive or ConvenientDrive trips per year within a radius of 50km per trip.
- If you need extra trips, you can book on a member-to-pay basis. The fees will be charged at a discounted rate.

Phone the HomeDrive contact centre on 0860 784 767 between 8am and 2am daily and at least 2 hours prior to the booking time. Pre-bookings are recommended over festive seasons and large events.
